BACKGROUND

The FHWA published a Notice of Public Meeting for the MAC on June 19, 2019, at 84 FR 28126, which incorrectly listed the date of the meeting and other information. This notice corrects those errors.

Purpose of the Committee: Section 1426 of the Fixing America's Surface Transportation Act, Public Law 114-94 required the FHWA Administrator, on behalf of the Secretary, to establish a MAC. The MAC is responsible for providing advice and making recommendations concerning infrastructure issues related to motorcyclist safety, including barrier design; road design, construction, and maintenance practices; and the architecture and implementation of intelligent transportation system technologies. On July 28, 2017, the Secretary of Transportation appointed 10 members to MAC, and 3 meetings have been held to date.

Tentative Agenda: The agenda will include a topical discussion of the infrastructure issues described above, namely: barrier design; road design, construction, and maintenance practices; and the architecture and implementation of intelligent transportation system technologies.

Public Participation: This meeting will be open to the public. Members of the public who wish to attend are asked to send an email to MAC-FHWA@dot.gov no later than August 1, 2019, in order to receive access information for the Web conference room. The Designated Federal Official and the Chair of the Committee will conduct the meeting

to facilitate the orderly conduct of business. If you would like to file a written statement with the Committee, you may do so either before or after the meeting by submitting an electronic copy of that statement to MAC-FHWA@dot.gov or the specific docket page at: www.regulations.gov. If you would like to make oral statements regarding any of the items on the agenda, you should contact Mr. Michael Griffith at the phone number listed above or email your request to MAC-FHWA@dot.gov. You must make your request for an oral statement at least 5 business days prior to the meeting. Reasonable provisions will be made to include any such presentation on the agenda. Public comment will be limited to 3 minutes per speaker, per topic.

Services for Individuals with Disabilities: The Federal Highway Administration is committed to providing equal access to this meeting for all participants. If you need alternative formats or services because of a disability, please send an email to MAC-FHWA@dot.gov or contact Michael Griffith at 202-366-9469 by August 1, 2019.
